NOTE: Credits and Thanks to "Deliverance Ministries". I have borrowed and modified this form created by them. It is brilliantly done. I highly recommend their services if you are near Oklahoma City and here is their Website <https://delmin.org/> Before contacting me I highly recommend that you explore their services if you live within reach as they are better able to provide a full and hands-on experience to you. Also, if you are female, you will need some place with female ministers and if you are a couple you will need services for a couple. God bless you and lead you to the freedom you deserve through Jesus Christ.
